CORE VALUES

CORE VALUES

Values	
Excellence	We, at SNBP ACS & MS, are committed to build up the quality and being outstanding to pursue excellence in everything we do.
Integrity	Integrity is the practice of being honest and showing a consistent and uncompromising adherence to strong moral and ethical principles and values. Successful long-term relationships depend on trust and open communication.
Ethics	College fosters a learning environment that promotes responsible, principled behavior which respects the dignity of all members of the community.
Respect	Each person is treated with respect and dignity in all situations. Criticize only ideas not people, and share responsibility.
Student Centric learning & development	College is a student-centered institution. We believe that students are the primary reason we exist as an institution. Our primary objective is not only to educate students in their chosen disciplines but it should strive to provide educational experiences of exceptional quality and a student life environment that provides for healthy personal development.
