SPORTO CULTURAL CARNIVAL:

Every year in the month of December College organize a Sporto-Cultural Carnival for students in college campus. This is a four days fest for the students where so many events are organized by students for students. It is mixture of sport, cultural and social events. The purpose of this event is to create the platform to students' talents, create business sense and build up the managerial skills. Here students are participant as well as they are organiser. In these Four days Foods and Games Stall, Funny Games & Sports like dot ball, Langadi and Tug of War, Exhibition of Painting, Electronics & Science, Best from Waste, Rangoli & Mehndi, Pishpond, Fashion show, Dance is organized.

In sports the games are arranged for fun and to create enthusiasm and passion for sports in students. The game dot ball increases the observation power and decision making skills in students. Langadi is a traditional ancient game of India, Langadi in Maharashtra is a popular childhood pastime, it is described as foundation of all sports, and it enhances the training for kho-kho, volleyball and gymnastics. This is the first game which a child plays when he starts playing in school. It creates childhood memories in the students. Tug of War is a team game in which two evenly matched people or fractions are striving to keep or obtain the same thing. The origin of the game in India has strong archaeological roots from 12th Century. Tug of War is a that pits two teams against each other in a test of strength teams pull on opposite ends of a rope, with the goal being to bring the rope a certain distance in one direction against the force of the opposing team's pull. It helps in enhancing the physical strength of the student. It provides real time experience to the students. Students learn as well as enjoy from this event.

In Exhibition the painting is exhibited to enhance boosts self-esteem inspire young minds to reach new levels of skills. Painting also produces a relaxing, open environment where artists feel safe to explore their own creativity. Painting is a way for children to do many important things: convey ideas, express emotion, use their senses, explore color, explore process and outcomes, and create aesthetically pleasing works and experiences. A painting can depict emotions.it may affect the building occupant's mood by giving relaxation to their mind. The patterns and vibrant colors allow a child to think beyond restrictions and be playful enough to enjoy.

The electronics workshop is conducted and the working model is showcased in the exhibition.

SNBP ALL INDIA HOCKEY TOURNAMENT

Dr. Vrishali Bhosale, Organizing Chairman & President SNBP Group, explained; "Our aim has always been focused on adding to the property (tournament) we conceived back in 2016. The hockey facility is what we are proud to announce to the city of Pune as a "ready pitch" that will cater to our grass root development".

As mentioned, our progression graph for the sport has been on the lines of establish a tournament at grass root level for the budding Under-16 stars which we did in 2016, then regularize it as an annual feature as an exchange of National talent, subsequently have a women's tournament at State-level and empower them with equal opportunity, before moving into increasing monetary gains for performers and an exclusive facility to train."

She also announces the cash prize for the tournament. The winners stand to be richer by Rs 50,000/-, while the runners-up would gain Rs.25, 000. The third-place finisher will receive Rs. 20,000

SNBP's hockey facility is the first by any school in the city.

This year, the team to watch will be the
